

SUMMER MUSIC PROGRAM SCHOLARSHIPS

NSMTA offers two scholarships, a Junior Scholarship and a Senior Scholarship of \$200 each per year.

Eligibility:

Students who are studying with a NSMTA member who has paid dues by October 31, 2017 are eligible to apply for a Summer Music Program scholarship.

Junior Scholarship – Students who are currently in grades 5, 6, and 7.

Senior Scholarship – Students who are currently in grades 8-12.

Each candidate will submit to the scholarship chairperson a record of musical activities and a statement of personal goals. Candidates must also submit a performance DVD or a link to a You Tube video (no longer than 15-20 minutes) of three piano works from three contrasting periods for a panel of judges who will select the winner. These pieces must be listed on the application and must be memorized. A letter of validation from the teacher must be sent to the Scholarship chairman at the time of application in order for the applicant to receive a check. The winner will be presented with the \$200 check at the NSMTA Winner's Recital in the spring. The winner is strongly encouraged to perform.

Applications are available on the NSMTA website and must be postmarked by May 1, 2018 to be eligible for consideration. No ties are allowed. The same person may not win more than once.
